

## Local "No On Question 1" Campaigning Activities

The campaign for No On Question 1 is in need of your help during the next several days prior to the election. If Question 1 passes it would eliminate the state income tax, resulting in a 40 percent cut in state revenues. We must defeat Question 1, and we cannot take this vote for granted. Six years ago 45 percent of voters voted to eliminate the state income tax. ADTC Chair Leo Maley details a host of things you can do. Find out how you can help out.

Sign holding and phone calling &mdash; two critically important ways to communicate our No on Question 1 message to voters.

Below are some of the remaining coordinated No on Question 1 activities in the Amherst area.
